

AGN. NO.

MOTION BY CHAIR HILDA L. SOLIS

October 11, 2016

Filipino American History Month is celebrated in the United States during the month of October. The national observance of this month began in 1988 when it was established by the Filipino American National Historical Society. The month was then officially recognized in 2006 by the California Department of Education and in 2009 was observed statewide after Senator Leland Yee passed a resolution to recognize the month of October as Filipino American History Month. In November of that same year, Congress passed a resolution to recognize the month of October as Filipino American History Month. This month is widely celebrated in California because of the large Filipino population throughout the state.

I, THEREFORE, MOVE to proclaim the month of October as “Filipino American History Month” in Los Angeles County.
